FOUNDATION MANUAL HANDLING, FINE HAND SKILLS & KEY HOOF CARE TRAINING

A two hour, hands on workshop led by experienced horseman and Blacksmith, Patrick Finnegan. PGCFE.

Who is it for?

All students wishing to improve the hoof health of horses in their care.

Learning Outcomes

1. Acquire manual handling techniques that reduce the common risks associated with hoof care
2. Understand the groom's role in improving hoof health
3. Learn to use all the Finnegan Equine groom's safety hand tools
4. Practise proven manual handling and hand skill techniques

Each student:

Makes, trims and keeps their own training foot , safety gloves and session handout.

Has use of training legs, hoof stands and safety tools for the session.
Special offer of 33% reduction on normal retail price of all Finnegan Equine equipment bought on the day.

Free entry in a draw for a safety groom's knife on completion of session's feedback form.

FREE Training Kit

For every college booking 20 students
